

GET STARTED WITH BROADBAND FUNDING TODAY

Work with Broadband Grant Experts LLC (BGE) and WAV to secure BEAD grant funding today!

Why WAV and BGE?

Minimal up-front costs

Proven success in securing more than \$1B in funding

A principal that built one of the largest ISPs from 0 to 500k subs

Award-winning geospatial mapping software tools that save weeks of research

Opportunity to grow your fiber business and increase the valuation of your company

ISP Feedback

"Your approach allows us to add your fees as an expense covered by the grant funding."

"We are struggling with making decisions in areas quickly. Now we can do iterations in minutes."

"I can now identify the best areas with the strongest business case."

"I am now more confident knowing the design and business case is solid."

"You are truly an extension to our team."
