

ADDENDUM WAV®, INC. APPLICATION FOR SUPPLY CHAIN FACTORING.

This addendum application is made available to Front Range Factoring (FRF), Wav's Supply Chain Financing partner. FRF will review your application to provide you with the necessary working capital to support short-term capital needs.

This method is an alternative to a credit line and has the power of leveraging your accounts receivable from your trusted and reliable customers. Fax it to 303-997-1442 or email it to rodrigo@fronrangefactoring.com Phone: 303-219-3914

By factoring your invoices, you can continue to offer trade credit to your commercial customers and at the same time fund your operations from the invoices you generate. Factoring your invoices will also help your business thrive by using working capital at your reach to compete more aggressively in the market place. Pursue large projects using our factoring approach, bypassing inexistent or low business credit score.
